

UNIVERSITY OF TORONTO  
FACULTY OF MEDICINE  
Continuing Professional Development

The Pierre Lasjaunias Neurovascular Educational Team (PLANET) Course consists of 2 one-week sessions held in Akasaka, Tokyo, Japan. It is designed for Interventional Neuroradiologists, Endovascular Neurosurgeons and Interventional Neurologists as well as allied health professionals who wish to enhance their knowledge in neurovascular anatomy and the understanding and management of vascular disorders affecting the central nervous system. Certificate recipients have completed both sessions taking part in lectures, workshops, panel discussions and case studies.
